Hi Erica and Pat,

Just looking ahead. I have 3 hours blocked off on my calendar 9:00-Noon on the 29th for this meeting. How much time are you planning for, and have they sent an Agenda? The plan will be for me and our attorney Carmen Netten to attend by phone. Do you have a conference line or a number to call into? I did not invite our PM or Hydro to this meeting. Let me know if you want them present. My thought was, at least the MPCA, would not be engaging them on technical issues at this meeting, that we were there to listen. Is that how you see it?

Ok, I must have misunderstood our last phone conversation, and had told my management and Hinshaw you would be in attendance. I will go and correct that position.

Hinshaw was inquiring about MPCA attendance. I don't have a strong preference about live attendance but participation would be appreciated.

Thank you.

Sounds good. I will put it on the calendar. I will plan to call into this meeting unless you have strong feelings about me to attending in person, and I certainly can attend if you wish. The plan is to not have Dave Scheer and Jen Jevnisek attend the meeting. Let me know if you both want to discuss this further. If you have a call in number for this meeting, let me know. Thanks.

Crague,

I'm sorry, I thought I cc'd you. Yes, we have gone with November 29th beginning at 9 am in our Indiana Room here in Region 5. I called Mr. Sheldon, he mentioned that he would be inviting his Minnesota based counsel, 3 contracting firms, 2 company representatives.

I did recommend to Mr. Sheldon to come up with his agenda and to present to us before to make the meeting productive. I do believe there will be at least one powerpoint presentation.
